Learning Objectives

Math: This week we will work on adding multi digit numbers

Reading: Our reading focus will be author's purpose we will also continue to make inferences using text evidence.

Language: Students will continue to show their understanding of writing using complete sentences and using the writing process. They will write a personal narrative story about living in a snow globe!
We will review -ed, -ing endings and plural endings -s and –es

Social Studies: We will look into the tradition of making New Year's Resolutions and how we can turn them into goals for the semester.

Science: We will begin a building project. Combining materials so that they can do things that alone they cannot. Look for a note coming home about how you can help.

Other News…

- Welcome back! I am excited about a great start to 2017 here in 2nd grade.

☺Thank you, Laura Zimmerman
