

2nd Grade News

Jan. 22-26

Habit 4
Think Win-Win

Learning Objectives:

Math: Second Grade: This week we will work with the traditional algorithm of addition and subtraction with and without regrouping.

Math: Third Grade: This week we will begin our unit on Fractions.

Writing: We will continue using the writing process to finish our rough drafts and editing for a final product using the prompt: If I lived in a snowglobe.

Reading: We will continue assessing for reading levels and we will also be looking at prefixes and suffixes.

Science: We will be describing and classifying rocks by their characteristics.

Social Studies: We will begin our unit on natural resources.

Phonics: (z) sound =

The (z) sound in the initial position = z (zipper, zap, zoo)

The (z) sound in medial position = s (nasal, present, visit)

The (z) sound in final position of a one-syllable base word after a short vowel = s (has, is)

The (z) sound in final position after everything else = se (nose, pause, choose)
